

Scrumptious

MODERATOR SCRIPT

Setup 30 sec

SAY: "Welcome! Today you'll experience Scrumptious firsthand as a mock Scrum team."

DO: Display QR code for session

SAY: "Please scan to join our session"

WAIT: For all 7 judges to join

SAY: "Great! Let's start with Planning Poker."

Planning Poker - Round 1 (No Confidence) 90 sec

Your Actions:

1. Click "New Ticket"
2. Enter: "**Planning Poker Scenario #1**"
3. Say: "This is a simple estimation. Please vote when ready."
4. Wait for all votes
5. Click "Reveal Votes"
6. Say: "Perfect consensus! Notice the celebration."
7. Click "Accept Estimate"

Your Narration:

↳ "Votes are hidden until reveal - prevents anchoring bias"

↳ "Confetti celebrates natural consensus - makes ceremonies fun!"

💡 "Estimate is now logged in history"

Planning Poker - Round 2 (With Confidence)

2 min

Your Actions:

1. Click "Enable Confidence Voting" toggle
2. Click "New Ticket"
3. Enter: "**Planning Poker Scenario #2**"
4. Say: "This one's more complex. Notice you now select confidence levels too."
5. Wait for all votes
6. Click "Reveal Votes"
7. Point out: "See the algorithm suggestion and warning badges"
8. Click "Accept Estimate"

Your Narration:

💡 "Low confidence votes get weighted less - the algorithm adapts"

💡 "Smart warnings flag uncertainty or disagreement automatically"

💡 "Vote distribution chart shows team alignment at a glance"

Planning Poker - Features Showcase

45 sec

Your Actions:

1. Scroll to History section
2. Click edit icon on an estimate
3. Change estimate, save
4. Click "Export to Excel"
5. Open downloaded file briefly

Your Narration:

💡 "History tracks all decisions with timestamps"

💡 "Estimates are editable if context changes"

💡 "Excel export gives you professional, formatted data"

Retrospective - Setup

45 sec

Your Actions:

1. Say: "Now let's run a quick retrospective"
2. Click "Leave Session" or navigate to home
3. Click "Start New Session"
4. Select "Retrospective" (not Planning Poker)
5. Choose "Glad/Sad/Mad" format
6. Display NEW QR code for judges to join retrospective session
7. Wait for all judges to rejoin
8. Set timer to 2 minutes
9. Click "Start Phase 1"

Your Narration:

💡 "Four retrospective formats built in"

💡 "Three-phase workflow: Input, Grouping, Discussion"

Retrospective - Phase 1 (Input)

90 sec

1. Say: "Please add 1-2 items in any category. All submissions are anonymous."
2. Monitor submissions appearing in real-time
3. After ~60 seconds: "You can also vote on others' items"
4. Let timer run down or click "End Phase 1"

💡 "Real-time collaboration - everyone sees items appear"

💡 "Anonymous input encourages honesty"

Retrospective - Phase 2 (Grouping)

90 sec

1. Click "Start Phase 2"

2. Say: "Let's group similar items. I'll demonstrate."
3. Drag 2-3 items together to create a group
4. Click to name the group: "Theme #1"
5. Say: "Anyone can continue grouping or voting"
6. After 45 seconds: Click "End Phase 2"

↳ "Collaborative drag-and-drop grouping"

↳ "Identify themes and patterns together"

Retrospective - Phase 3 (Discussion)

90 sec

1. Click "Start Phase 3"
2. Say: "Now we discuss. Add comments and react with emojis."
3. Click on a group to add comment: "Great point about this"
4. Click emoji reactions:
5. Point out vote-based sorting
6. Click "Export to Excel"
7. Open file briefly

↳ "Comments capture discussion context"

↳ "Emoji reactions for quick feedback - Slack-style"

↳ "Export captures everything: items, votes, comments, emojis"

Closing

30 sec

↳ "All features backed by 105 automated Playwright tests"

Scrumptious

JUDGE 1

Getting Started

👉 Scan QR code to join Planning Poker session

🎯 Round 1

Select: 5

🎯 Round 2 (Confidence)

Select: 8

Confidence: HIGH

🎲 Retro Setup

👉 Scan NEW QR code when moderator displays it

🧠 Retro Phase 1

Enter under GLAD: "Great team collaboration"

Enter under MAD: "Too many meetings"

Vote: 👍 on 2-3 items

🔗 Retro Phase 2

👉 Optional: Drag items to group

💬 Retro Phase 3

Comment: "Address next sprint"

React: 👍 or 💡

🎉 You're all set! Thank you for your participation!
